

Paediatric Anaesthesia Online Tutorial Series

Inspiring a new generation of paediatric anaesthetists and supplementing missed training opportunities during COVID-19

These Tutorials are **FREE to access**, delivered by **expert speakers** and followed by a **10-15 minute Q&A session**. Each tutorial is available to **watch again afterwards** (around 10 days after each live stream).

Go to: <https://apagbionline.talkingslideshd.com/home>

All live streams are **5pm to 6pm (UK time)**

Register with the site and enter the voucher code for each Tutorial as given in the grid below.

To gain a Certificate of Attendance, please complete the Post-Event Survey at the end of each Tutorial, *once you have watched the content*.

Everyone is welcome! (including Non-Members of APAGBI)
