

PUBLICATION	TITLE
April 2018	Current recommendations for paediatric resuscitation
April 2018	Anaesthetic management of patients with a congenital diaphragmatic hernia
May 2018	Paediatric extracorporeal membrane oxygenation and extracorporeal cardiopulmonary resuscitation
June 2018	Anaesthesia for pyloromyotomy
July 2018	Management of fluids in neonatal surgery
July 2018	Anaesthesia for inguinal hernia repair in the newborn or ex-premature infant
August 2018	The collapsed newborn in the emergency department
November 2018	Anaesthetic management of children with sickle cell disease
December 2018	Anaesthesia for children with left ventricular assist devices undergoing non-cardiac surgery
January 2019	Anterior mediastinal masses in children
February 2019	Overview of paediatric palliative care
March 2019	Essential notes: the anaesthetic management of an inhaled foreign body in a child
March 2019	Anaesthesia for children having endoscopy on a gastroenterology list
April 2019	Cardiac transplantation in children
May 2019	The single ventricle pathway in paediatrics for anaesthetists
May 2019	Intraoperative neuromonitoring in paediatric spinal surgery
July 2019	Anaesthetic care for surgical management of adolescent idiopathic scoliosis
September 2019	Venous thromboembolism in paediatrics
October 2019	Postoperative vomiting in children
October 2019	General principles of regional anaesthesia in children
November 2019	Paediatric respiratory distress
November 2019	Tetralogy of Fallot
January 2020	Perioperative management of a child with a tracheostomy
February 2020	Ultrasound-guided upper and lower extremity nerve blocks in children
March 2020	Update on the management of burns in paediatrics
June 2020	Paediatric adenotonsillectomy part 1 and 2

Edited by Dr Shivan Kanani (February 2023)

July 2020	Anxiolytic premedication for children
July 2020	Enhanced recovery after surgery in paediatrics: a review of the literature
October 2020	Dexmedetomidine in paediatric anaesthesia
November 2020	Consent and capacity: issues for paediatric anaesthesia
December 2020	Non-pharmacological methods of reducing perioperative anxiety in children
January 2021	Update on anaesthesia for paediatric ophthalmic surgery
February 2021	Sepsis in paediatrics
September 2021	Anaesthesia for premature infants
December 2021	Neonatal resuscitation: current evidence and guidelines
January 2022	Anaesthesia and cerebral palsy
February 2022	Anaesthesia for the paediatric patient in the cardiac catheterisation laboratory
February 2022	Extubation of children in the operating theatre
March 2022	Weaning from ventilation and extubation of children in critical care
May 2022	Obesity in childhood
September 2022	Management of paediatric acute respiratory distress syndrome
October 2022	Perioperative management of the child with asthma
January 2023	Ingestion of foreign bodies and caustic substances in children
January 2023	Inhalational induction in paediatric anaesthesia
