

Paediatric Anaesthesia articles in CEACCP and BJA Education – Paediatric Anaesthesia **RED – Written final FRCA exam question**

2017

February

- Paediatric lung isolation

2016

December

- Anaesthetic management for craniostomy repair in children

November

- Paediatric TIVA

August

- Referral and transfer of the critically ill child
- Paediatric massive transfusion
- Does near-infrared spectroscopy play a role in paediatric intensive care?

April

- Place of RSI in paediatric anaesthesia
- Perioperative care of children and young people with diabetes

February

- Anaesthesia for paediatric lower limb surgery

2015

December

- Anaesthesia for children with renal disease

October

- Laryngeal clefts

August

- Paediatric vascular access
- Anaesthesia for neonatal emergency laparotomy

June

- Ultra-sound guided central neuraxial blocks and peripheral nerve blocks in children
- Anaesthesia and the developing nervous system: advice for clinicians and families

February

- Managing the difficult airway in the syndromic child
- Anaesthesia for paediatric diagnostic and interventional cardiological procedures

2014

October

- Anaesthesia for children with liver disease

June

- Hazards of blood transfusion in adults and children

2013

December

- Preinduction techniques to relieve anxiety in children undergoing general anaesthesia **2008**

October

- Anaesthetic management of the child with haematological malignancy

August

- Anaesthesia for children with special needs, including autistic spectrum disorder **2015**

April

- Paediatric emergence delirium
- Anaesthesia for complex airway surgery in children

2012

December

- Anaesthesia for paediatric dentistry

August

- Childhood obesity and the anaesthetist

June

- Child protection issues and the anaesthetist **2008 + 2016**
- Conscious sedation in children
- Paediatric trauma **2003**

April

- New standards for critically ill children: towards a unified approach

February

- Necrotising enterocolitis
- Anaesthetic management of children with congenital heart disease for non-cardiac surgery **2014**

2011

December

- Dilemmas in the pre-operative assessment of a child
- Cystic fibrosis and anaesthesia

- Chronic pain problems in children and young people
- August
- Neuromuscular disorders and anaesthesia
- June
- Anaesthesia and childhood epilepsy **2010**
 - Consent issues for children
- April
- Perioperative care of children with inherited metabolic disorders
 - Ultrasound assisted vascular access in children

2010

- December
- Paediatric neuro-anaesthesia **2003**
- October
- Anaesthesia for paediatric urology **2000, 2001 + 2017**
 - Anaesthesia for children with neuromuscular disease
- August
- Analgesia for neonates **2017**
- April
- Cerebral palsy and anaesthesia **2013**
- February
- Anaesthesia for an uncooperative child **2008**

2009

- December
- Paediatric DKA
- August
- Poisoning in children
- June
- The prematurely born infant and neonate **2017**
- April
- Exomphalos and gastroschisis
- February
- LMA and other supraglottic airway devices in paediatric practice

2008

- June
- Analgesia and sedation in critically ill children
- February

- Anaesthesia for paediatric eye surgery **2002 + 2011**

2007

December

- Acute stridor in a child **2007 + 2010**

October

- Neuromuscular blocking drugs in infants and children

June

- Burns in children **2001**

April

- Anaesthesia for paediatric ENT surgery **2004 + 2010**

February

- Oesophageal atresia and trachea-oesophageal fistula

2006

April

- Epidural analgesia for children

February

- Scoliosis surgery in children **2006**

2005

October

- Congenital diaphragmatic hernia in the neonate **2005**

August

- The fetal circulation

June

- Anaesthesia for cleft lip and palate

April

- Paediatric bronchoscopy **1998**

February

- Caustic ingestion in children

2004

December

- Paediatric ventilator support

October

- Local and regional anaesthesia in infants **2006 + 2017**

August

- Paediatric sedation

February

- Management of the critically ill child with sepsis **2003, 2012 + 2015**

2003

December

- Management of the difficult paediatric airway

October

- Paediatric day-case anaesthesia **2014**

June

- Anaesthesia for common conditions in infancy
- Down's syndrome **2011**

April

- Paediatric anaesthetic pharmacology **2004**

February

- Fluid and electrolyte management in children **2004, 2008 + 2009**

2002

December

- Transfer of the critically ill child

August

- Basic and advanced life support in children **1998 + 2000**

April

- Pain management in infants: systemic analgesics

2001

October

- Basic principles of anaesthesia for neonates and infants **2017**

June

- Infantile pyloric stenosis **1999**
