

14th Paediatric Anaesthesia Meeting

Holywell Park, Loughborough, LE11 3GR
16th September 2022

We invite all Consultant & Trainee Anaesthetists with an interest in paediatric anaesthesia, ODPs and paediatric nurses to this well established and popular event. A range of current clinical and research topics will be covered by visiting international and national experts

Topics:

- Paediatric airway management: what changed in the last decade? - Walid Habre, Geneva
- Anaesthesia for Paediatric Thoracic Surgery - Jonathan Smith, Newcastle Freeman Hospital
- Outcomes in paediatric anaesthesia: what should we measure? - Walid Habre, Geneva
- Communication with children - Andreas Machotta, Rotterdam
- Massive transfusion and haemostasis in children - Andreas Machotta, Rotterdam
- Ethical dilemmas in paediatric care and PICU - Joe Brierley, GOSH
- New and Updated Patient Information Resources for Paediatric Anaesthesia - Karen Bartholomew, Calderdale and Huddersfield
- Practical TIVA: Tips and Tricks - Peter Brooks, Chelsea and Westminster
- In MRI no one can hear you scream: an update in practice - Ritchie Marcus, BCH

Fee: £140 for Consultants/ £80 for Trainees/ODPs
(Includes refreshments, lunch & CPD certificate)
