- **New: Human factors in paediatric anaesthesia**
- **Training in Paediatric Anaesthesia under the New Curriculum**
- **State of Play of Paeds Anaesthesia - 2023 Link survey results**
- **Update on New National Clinical Pathways**

How can we apply human factors research to paediatric anaesthesia?

How can we optimise training and the future of the specialty?

What does the Link-rep survey tell us about paediatric anaesthesia in 2023?

How has this been impacted by the pandemic?

How do non-training grades stay current?

There is so much to discuss - come and join us at the meeting!

Final details coming soon: [APA Link-Network Meetings | APAGBI](#) / social media feeds

The APA Link Network aims to maintain links with all paediatric anaesthetists, particularly those working in non-specialist hospitals: **link - learn - connect and collaborate.**
