Caring at its best

12th Paediatric

Anaesthesia Meeting

Friday 5th October 2018

Holywell Park Loughborough, LE11 3GR

We invite all consultant and trainee anaesthetists with an interest in paediatric anaesthesia, ODP's and paediatric nurses to this well established and popular event. A range of current clinical, perioperative and research topics will be covered by visiting international and national experts in the different areas.

Topics/ Speakers

How Safe is our Paediatric Anaesthesia, Dr Tom Engelhardt, Aberdeen

Paediatric Trauma, Dr Morten Bøttger, Copenhagen

Anaesthesia for Neonates with CHD, Dr Ritchie Marcus Birmingham

How Deep is my Patient Sleeping, Dr Nils Dennhardt, Hanover

Emergence Delirium, Dr Francis Veyckeman, Brussels

Regional Anaesthesia in Kids: Why, How, When?, Dr Peter Marhofer, Vienna

The Child with the Rare Disease, Dr Francis Veyckeman, Brussels

Thoracic Anaesthesia in Kids, Dr Steve Cray, Birmingham

Improving Patient Flow, Dr Liam Brennan, RCOA

5CPD points approved from RCOA

£120 or £50 for Nurses/ODP (incl refreshments and lunch)
