Training Review In
Paediatric anaesthesia

Association of paediatric
anaesthetists of Great
Britain and Ireland

A 2-part REDCap survey looking at exposure of non-consultant anaesthetists to paediatric anaesthesia in Great Britain and Northern Ireland

PART 1 22.06.2022

College Tutor Survey

Enrolment of departments & nomination of trainee site lead

PART 2 07.07.2022

Non-consultant Anaesthetists Survey

Submission of a 2-week log of paediatric patients encountered

- Aim** To identify current paediatric caseload exposure amongst all non-consultant grade anaesthetists in Great Britain and Northern Ireland.
- Primary objective** To quantify paediatric cases encountered by non-consultant grade anaesthetists based on age, ASA, specialty and level of supervision.
- Secondary objective** To identify any regional/deanery differences in parameters stated in the primary objective between tertiary paediatric hospitals.
